

## Welcome to 3Degrees.

**Our mission is to reduce the magnitude of climate change.**

3Degrees helps **fund clean energy** and **carbon reduction projects** through financial commitments by our customers who are seeking to **reduce their environmental footprint**. We do this by originating and providing **high quality Renewable Energy Certificates** and **Verified Emission Reductions** from around the world.

Contact us about maximizing the value of your RECs 

#### Green Power Supplier of the Year U.S. Department of Energy 2009

Learn about our most recent awards 

### Reduce Your Carbon Footprint

**Verified Emission Reductions (VERs,** aka carbon offsets) are a meaningful and cost-

effective way to balance your carbon footprint from the emissions you can't reduce....

[MORE](#) 

### Support Clean, Renewable Energy

**Renewable Energy Certificates (RECs)** enable businesses and consumers to match up to

100% of their electricity with clean, renewable energy no matter where they are located....
